

Faculty Mini-Sabbatical Program Application Form

Instructions: Faculty must be sponsored by a staff scientist, who should complete pages 1-3 of this form and upload it to our internal system: <https://forms.office.com/g/qXEBgtCoVi>. The staff scientist will invite the faculty to apply via SmartRecruiters and submit a cover letter and CV. The cover letter should emphasize the faculty member's educational opportunity and the benefits they expect from this sabbatical, as well as include the name of their host. Once the application deadline closes, all complete applications will be reviewed by a Laboratory-wide committee. If approved, the hosting organization administrator will be notified to work with Mildred Lambrecht and HR to submit the hiring package and onboard the faculty.

Background: The Faculty Mini-Sabbatical Program brings top academic talent for a 1-3 month visit to the Laboratory, fostering knowledge exchange and new collaborations. The sabbatical cannot be used for specific research support. Approved faculty applicants are hired under the Laboratory's Faculty Employee (FS) category and receive \$14,500/month (including \$2,000 for housing). Travel costs (1 RT airfare or mileage) are covered by the hosting organization in line with LLNL travel policy.
